

Nashoba Regional School District – School Bus Contacts

The District is in the process of updating and putting in place a method for parents to appeal, change, and request bus stop changes. This updated process will be posted on our website in the near future; it will include a step by step process for all parents to follow as well as a form. We are in the process of making this form an electronic/on line form for all parents who have any questions/concerns in regards to their child's bus stop.

Here are the procedures that we have in place, right now. Please follow these steps until the automated request system has been activated.

Thank you
