

“Sometimes you will never know the value of a moment, until it becomes a memory.”
~ Dr. Seuss

Where learning meets fun....

June 20, 2017

Dear Parent(s) and Guardian(s),

It has been an amazing year! We have had many wonderful new opportunities added to our program this year. We have also started a few new traditions this year such as the Extended Learning Program's Got Talent Dinner Show. Next year we will have a new program in Stow that will reside in the Hale School call H.A.L.F. TIME (Hale, After School Learning and Fun Time) for grades 3 - 5. This new location will allow us to expand the opportunities that we offer our students.

The **last day** to register for the Extended Learning Program for next year is July 1st all registration requests after this date will be placed on a waitlist. Please visit our [website](#) to register if you have not already. Parent letters with information pertaining to next year will be emailed August 1st to all registered students. Waitlist students will also be emailed a letter indicating that they are on our waitlist.

Visit our [website](#) for updates and information regarding the 2017 - 2018 program. Also follow us on [Twitter](#).

Please take a moment to complete the Extended Learning Program end of the year [survey](#). Your input is valued and helps us to continue to improve our program!

I wish all my families a safe, happy and fun summer!

Respectfully,

Laura Dwyer
Extended Learning Program/Enrichment Curriculum and Assessment Coordinator
