

Nashoba Regional Space Task Force Meeting

March 15, 2016

Attendees: Bob Czekanski, Jodi Specht, Bill Cleary, Parry Graham, Don Hawkes, David LeBlanc, Kathy Codianne, Lynn Colletti,

Meeting called to order at 7:15 with a quorum.

Only item on the agenda is review and acceptance of Final Report.

Don Hawkes reviewed his letter to the school committee advising against submitting an SOI to the MSBA in 2016 for high school remediation. He reiterated his position that the Task Force did not have the authority to make such a recommendation to the school committee.

Don asked the Task Force to revise the Final Report paragraph about the SOI recommendation to the school committee to match the actual motion made about the SOI at the December 10, 2015 meeting. Bob stated that the paragraph merely reported that the vote had occurred and thus there was no need to record the actual language of the motion. A consensus of the Task Force was to leave the paragraph unchanged.

In reviewing the report: some punctuation was corrected. Not all changes approved at the last meeting made it into the report and edits were made to incorporate the previously approved changes.

Parry Graham moved that the Task Force accept the Final Report as amended. David LeBlanc seconded the motion. The motion passed by a vote of 7-1 (Yes: Bob, Jodi, Bill, Parry, David, Kathy, Lynn. No: Don)

The meeting adjourned at 8:42 P.M.
