GUESTS IN ATTENDANCE: Mr. Jim Hardy, MASC

ADMINISTRATION IN ATTENDANCE: NA

CALL TO ORDER

Ms. Romasco called the meeting to order at 6:00 PM in the School Committee Conference Room, Emerson School, Bolton, MA.

Purpose of the meeting was to introduce, via Superintendent Application, the 4 candidates chosen to move forward in the Superintendent process. The Screening Committee had selected 5 applicants to present to the School Committee but one applicant had to withdraw for personal reasons. MASC's Mr. Hardy explained 'next steps' in the process and support in developing interview questions for April 6 and 7 finalist interviews.

The following applicants will participate in interviews:

Brooke Clenchy	Billerica MA
Patricia Lally	Arlington MA
Jahmal Mosley	Somerset MA
Bridget Morisseau	Worcester MA

The School Committee is allowed to request clarification of interviewee response from Screening Committee members but only with regard to the specific question(s) that Screening Committee member had asked of the four finalists.

School Committee members will develop questions for April 6 and 7 interviews and forward to MASC's Ms. Presser by noon Friday, April 1. Ms. Presser will compile questions and forward formatted questions to the SC prior to April 6.

Upon the suggestion of Mr. Hardy, and to keep things fair and equitable, Ms. Romasco will coordinate with BATCo and request that the April 6th interviews not be aired until after April 7th interviews have concluded.

On April 7, following all interviews, the SC will deliberate on which candidates (1) they'd like to invite to tour NRSD and (2) districts they'd like to visit. The visiting committee will consist of any and all School Committee members, along with Ms Presser.

By law, MASC cannot check personal references but School Committee members may check references of the finalists. MASC recommended 3rd generation checks following the April 6 and 7 interviews.

Ms Codianne made a motion to adjourn at 8:10pm, Mr Darcy seconded. Vote- 6-0-0 Motion passed.

Approved by NRSC 4/6/16
