 - b. Reminded everyone of the Charge
 1. Is there evidence to support filing an application for SOI?
 2. Is there enough data to support a need for professionals to evaluate existing HS building?
 3. Although NRHS Facility Committee is making a recommendation to the School Committee, the School Committee may or may not agree with the recommendation. (SC has the final vote on the go/no go decision for MSBA SOI)
- b. A discussion regarding 2018/19 HS capital projects. (leaching fields/sewerage rooms/piping, mechanical systems, roofing, windows) These costly capital projects are currently being scheduled and will affect the district budget in the very near future. Without existing documentation, it is difficult to determine the extent of the projects.
