Dear AIS,

Firstly, on behalf of all the members in DECA, we would like to thank you for sponsoring our program this year! As you may already know, DECA is a business organization that prepares students for careers in business across many areas like marketing, finance, hospitality, accounting, and banking. We are very proud to say this year that we are the largest student organization at Nashoba. Membership numbers have increased from 20 members in 2010 to over 157 members this year. Membership is not the only thing growing. Last year, our school qualified 95 kids to the state competition in Boston and 15 students qualified for the National Competition in Atlanta, GA.

With the increasing numbers and returning members, additional accolades are sure to follow this year. However, due to the increase in membership and a tightening budget within the school, it is vital that we receive support from our community. As a result, we would like to request a donation this year in the amount of \$2,000 or more. With membership growing and school activity budgets shrinking or disappearing, we could use all the help we can get.

If you have any questions or concerns, please do not hesitate to contact me. AIS has been such a generous member and active participant within the high school and I hope we can continue this strong relationship!

Sincerely,

Stavros Andreopoulos
