Hello,

We are requesting approval for a donation in the amount of \$2,500.00 provided by Clinton Savings Bank to Nashoba DECA. Clinton Savings Bank has donated to help defray costs associated with attending competitions. These costs include registration costs, hotel costs, transportation (buses), flights, poster printing materials, competition preparation materials, and much more. Nashoba DECA has 165 members this year and the costs have grown exponentially along with membership.

If you have any questions/concerns about this please contact me at sandreopoulos@nrsd.net.

Sincerely,

Stavros Andreopoulos
