# The Random Acts of Kindness Club - History

- Students from the MS Student Council along with a selection of other student leaders attended the Massachusetts Aggression Reduction Center (MARC) training for student leaders (October 2017) at Bridgewater State University
- Those students suggested starting a Kindness Club
- The Random Acts of Kindness Club started in January 2018 and was open to any interested students in grades 5-8 - there were 16 students
- The RAK Club is lead by our MS student leaders - building consensus when choosing activities and working to encourage kindness throughout the year
- This year the RAK Club is open to students in grades 3-8 and we currently have over 50 students
