- ▶ Looking Ahead

Technology

- ▶ Every student in grades 6-12 is now equipped with a 1:1 Chromebook device
- ▶ Classroom Chromebook carts in grade 3-5, IPADS K-2
- ▶ The Middle School had a strong focus this year on preparing all students and transitioning grade 6 students to independent use of the Chromebook
- ▶ Students at the high school now bring their device to the Tech help desk in the Media Center
- ▶ Far less “tech tickets” logged and more one on one assistance and trouble shooting

Digital Safety Night 5/28/2019

- ▶ Teaching and Learning will host a Parent Safety Night on May 28, 2019 in the FSS Cafeteria from 6-7 pm
- ▶ The focus is on Digital Safety and one's Digital Footprint
- ▶ The evening will be interactive and provide parents with several online safety resources

- ▶ www.common sensemedia.org

Digital Citizenship

- ▶ We continue to require ALL NRSD students to participate in a Digital Safety and Citizenship workshop at the start of each year
- ▶ The new Social Studies standards and the Digital Learning standards have a strong focus on citizenship in an online world
- ▶ Lots of professional development and curriculum planning with these new standards

LEARN PLATFORM

- ▶ As a way to enhance safety and privacy, we will acquire the LEARN PLATFORM over the summer
- ▶ The LEARN PLATFORM tracks the usage of all digital apps and software, allows teachers to assess the software, and retrieve important data to inform instructional decisions
- ▶ Our ITS and Teaching and Learning department are currently working on getting it all set up!

Looking Ahead

- ▶ Continued focus on Digital Safety, Citizenship and Media Literacy at each grade level
- ▶ Continued coaching in classrooms from our ITS teachers
- ▶ Parent Series to continue with workshops on Google Suite
- ▶ Continue researching best Online Educational Resources for teachers and students
- ▶ Commitment to cutting edge, innovative professional development opportunities for our faculty and staff
