Re: Vote taken at 3-10-15 Selectmen's Meeting re: proposed FY-16 NRSD School Budget

Greetings:

Please be aware that a vote was taken at the most recent Board of Selectmen's meeting regarding the Town's posture on the proposed Nashoba Regional School District FY-2016 budget. The motion and vote are shown below.

MOTION:

Mr. Hawkes moved that the Board of Selectmen communicate to the Nashoba Regional School District, in writing, our concern that its current estimated FY-2016 assessment of \$16,114,631, is \$1,120,497 more than Stow's FY-2015 assessment, an increase of 7.47%; and that this significant increase is \$320,000 greater than the \$800,000 total annual recurring revenue increase Stow expects to collect in FY-2016. Given this substantial gap, the BOS requests that the Nashoba Regional School District, through its School Committee, strive to reduce its FY-2016 budget to the greatest extent possible. Mr. Ryan seconded the motion and it was passed by a 4:1 vote.

Vote taken at Stow Board of Selectmen's Tuesday, March 10, 2015 meeting.

The Selectmen appreciate your service and wish you well during this difficult budget season.

Warm regards,

Maureen Trunfio
