

## **Nashoba Regional High School Space Needs Task Force**

Minutes of Meeting of March 5, 2015

Attendees: Parry Graham, Don Hawkes, Bob Czekanski, Mark Jones, David LeBlanc, Maureen Busch, Heather LeBlanc, Jodi Specht

Jodi Specht tried to recover information from Powerschool about student-requested classes and how often students were denied their first choice of classes, but the information about last year is no longer available.

Parry Graham answered some follow-on questions to his December 18, 2014 presentation on Space Needs. He clarified that the Study Halls occur in three locations: the auditorium foyer, the Media Center, and – for Freshmen – there is a classroom and the cafeteria annex.

The State of Massachusetts requires all student to receive 990 hours of instruction per school year. Supervised study halls can be included in the 990 hours.

On a motion made by David LeBlanc and seconded by Jodi Specht, the Interim Report was approved by a vote of 8-0.

The next meeting was scheduled for March 19, 2015 at 7:00 P.M.

Respectfully submitted,  
Robert Czekanski
