

School Committee Goals 2019-2020

Based on an analysis of the survey results, here are some suggestions for SC goals for the 2019-2020:

Governance

- Policy Subcommittee will complete policy review and bring policies to the SC for their review and approval.
- New member orientation will include an orientation to the SC Policy Manual (chair)
- SC will review the District Improvement Plan annually for alignment with the District's mission, vision, and core values annually (SC)

Operations

- The Supt., HR Director and SC Chair will develop an evaluation of new member orientation
- The Personnel Subcommittee (PSC) will conduct an annual evaluation of the SC Manual

Member Relations

- Per SC Policy BAA, conduct a SC self-evaluation, the results of which will be reviewed and discussed at the June WS. (Chair)

Financial Strategic Planning and Fiscal Management

- Annually, and prior to the start of budget development, SC will be in-serviced regarding the District's long-term financial strategic plan, constituencies involved in budget development, and how the SC presents and advocates for the budget. (Supt.)

Community Relations

- The SC will review the District's comprehensive communication plan and its components (Supt)
- The Policy Subcommittee will review the SC's policy for Citizen's Comments and present recommendations to the SC.

Conduct of Meetings

- SC will convene an ad hoc committee to make recommendations regarding how to make the SC meeting room conducive to productive discussion and decision making. (Mr. Gleason, Dr. McCarthy)
